

Jeep Parts Depot Warranty

Statement of "limited" warranty on rebuilt engines

This is the only rebuilt engine warranty applicable for remanufactured engines by Jeep Parts Depot. The original invoice and this document must be presented in order for this warranty to be honored by Jeep Parts Depot.

~Jeep Parts Depot Policy & Service Instructions~

1. ***Please make sure your intake manifold is cleaned prior to starting the engine. Small metal particles vacuum out of your old engine into the intake manifold and the debris can make their way into the new rebuilt engine. If debris is found in the engine by improper cleaning, warranty is void. INTAKE CLEANING IS MANDATORY ON ALL ENGINES.***
 2. Oil & Oil Filter must be changed at first 500 miles (**Do not** use Synthetic Oil).
 3. Oil and Oil Filter must be changed every 3,000 miles following the first 500 miles.
 4. For the first 500 Miles, **DO NOT** drive your vehicle above 75 MPH.
 5. You have 3 months warranty unlimited miles on the engine.
6. ALL OF OUR ENGINES COME WITH UNIQUE BLUE PAINT MARKS AS WELL AS PUNCH MARKS (GAW). DO NOT DISASSEMBLE THE ENGINE AS PAINT WILL BREAK AND VOID WARRANTY IMMEDIATELY.
7. ALL OF OUR ENGINES HAVE HEAT TABS INSTALLED MARKED WITH GREEN PAINT. DO NOT REMOVE THESE AS THEY DO NOT AFFECT ENGINE PERFORMANCE/OPERATION. OVERHEATING CAUSED BY INSUFFICIENT COOLING IS NOT COVERED BY THE WARRANTY. PLEASE MAKE SURE YOUR COOLING SYSTEM IS WORKING PROPERLY.
 8. No compensation for labor charges will be granted under any circumstances.
9. Please be aware that all engine photos posted on E-Bay by Jeep Parts Depot are simply representations of the engines we have available; Actual engines vary year to year & may appear slightly different than pictured in the photo. Call us to confirm all information prior to ordering.
10. Estimated Handling time can range anywhere between 3-10 business days & shipping between 5-14 days [International shipping times vary from 45-60 business day shipping & handling time]
11. Shipping & handling time frames begin on the day the buyer pays for the engine, shipping and core deposit.
 12. It is the responsibility of the buyer to inspect all parts received in the engine provided for accuracy upon receipt of the engine.
13. We recommend installing a brand new water pump with the engine if you are purchasing just the engine itself.
14. Please be sure that car radiator and thermostat are in good working condition as Jeep Parts Depot will not be deemed responsible if the engine has overheated or has blown a head gasket.
15. Prior to performing the engine swap please be sure no additional parts/accessories need any replacing.
16. It is solely the customer's responsibility to detect that all necessary accessories not pertaining to the long block are in undamaged good working condition prior to the engine swap.
17. Please be aware that Jeep Parts Depot is NOT liable for any accessories already in the vehicle which are not functional and that may result in the potential damage of your engine.
 18. Jeep Parts Depot is in no way liable for any additional expenses endured by the owner [e.g replacement of parts, storage fees, towing fees]
19. Should any engine and/or part received be deemed inaccurate, Jeep Parts Depot will replace the engine and/or part for the buyer.

20. Buyer is responsible to pay half the original shipping cost when shipping back the core.
21. If in the event that the engine provided is deemed defective and/or inaccurate by the customer, the customer is responsible to ship back merchandise at his/her own expense prior to receiving the correct engine.
22. No merchandise will be shipped prior to receiving and inspecting original engine and/or part at the Jeep Parts Depot facility.
23. Buyer is fully responsible to pay return shipping cost on any merchandise received from Jeep Parts Depot if he/she wishes to return merchandise for exchange.
24. All Engines and/or parts returned will be inspected for accuracy and must be in undamaged condition for an exchange.
25. All Engine sales are final, and no full refunds will be granted under any circumstances.
26. Jeep Parts Depot holds the right to refuse reimbursement of the core deposit if the engine is deemed non rebuildable.
27. Warranty is VOID if customers fail to comply with vehicle services stated above.
28. Refundable Core Deposits will be refunded up to 14 business days of the core arrival date.
29. If in the event that any issue arises under Warranty, the buyer should ship back the original motor and in exchange will receive the identical engine back expect in good working condition.
30. Any warranty issues must be called in by the owner of the engine to Jeep Parts Depot at (818)899-9939 or emailed to us at contact@jeeppartsdepotca.com
31. All Jeep Parts Depot customers are expected to have read and fully acknowledge this warranty prior to making their engine purchase.
32. Customer hereby agrees to payout ANY arbitration costs to Jeep Parts Depot if a warranty issue is to arise within the contract period.
